Sir:

**PAYMENT OF DEFICIENCY IN ISSUE FEE UNDER 37 C.F.R. §1.28(c)**

The issue fee of \$665 paid on September 24, 2004 in the above identified patent (issued from application Serial No. 10/669,602) was paid on the basis of a small entity. It has now been discovered small entity status was lost and through error the Office was not notified of loss of small entity entitlement. The fee actually paid was incorrect at that time and the fee should have been paid as a large entity.

Submitted herewith is our check in the amount of \$735 (current fee of \$1,400 minus \$665 already paid).

If the fee paid is in any way insufficient authorization is hereby give to charge any additional fees due to our deposit account no. 14-1140.

Please consider this statement and submission as made under the provisions of 37 C.F.R. §1.28(c)(1)&(c)(2) and contact me at the above number if there are any questions or further information is needed.
